BARGACREE

When planning this hospice, we received many generous donations which allowed us to achieve the £21 million needed to pursue our dream of providing a 21st century state-of-the-art hospice in the middle of Bellahouston Park.

We received a very generous donation towards our café. While the benevolent donor wished to remain anonymous, as he is of Italian-Scottish descent, he requested the name of the café reflect his heritage. His family originated from Barga, a medieval town in the province of Lucca in Tuscany, central Italy and he was brought up in Scotland next to the River Cree. And so BARGACREE was born. A mix of two cultures steeped in history with a focus on exceptional cuisine and service.

Thank you for visiting BARGACREE café where you can Eat Well and Spend Well, knowing all profits from the café directly support patient care in our hospice.
